the warmth of giving...

Hi!

I'm an old softy,
when you take me
home for only 9.99
Sears will donate
\$1 of that to charity

Not only are you getting a cuddly,
plush friend that doubles as a Christmas
stocking, you're also giving cheer to
Children's Hospital Charities with the
1.00 donation! About 19" high. Candy canes
and decorations not included. Order
early to avoid disappointment.

Christmas with all the trimmings

Fill your home with all the festive beauty any one of our lifelike Alpine trees can give! We believe these trees are some of the best buys in Canada, and so realistic you'll want to reach out and touch them.

Choose the popular lighter Green Alpine with its natural-looking Brown centre; or for a striking high fashion look you'll want the lush White foliage and look of our Arctic White Alpine. All feature twelve branches per layer for a full, natural appearance. Pre-assembled hinged branches for quick, easy set-up.

Crafted in Canada from flame-retardant materials. 10-year warranty. Set any one of these lovely trees off to perfection with our traditional 'Red Theme' decoration package—it's the ultimate festive look this season. Order from listings on page 5, item C.

"Just put the gifts under the tree, Santa, we'll pay for them with our Sears Club points!"

**C'mon, Sears
account card holders!
Join today and get
more for your money.
It's free...and your
choices are virtually
limitless. Join now!**

**SEARS
CLUB**

Sears Club offers you more! You can earn your points by shopping from any of our catalogues, retail stores or clearance centres. Your points are applied towards Sears Club certificates, which can be redeemed against the purchase of any of the 50,000 items and services we offer! Just think, your certificates can be used towards a new Kenmore appliance, a new coat, an after-Christmas vacation. No matter what you choose, you'll always get Sears guarantee of satisfaction, and our reputation for dependability. More choices... more reasons to join Sears Club!

Remember it's free, so turn the page to find out how you can join today!

EVERY TIME YOU SHOP YOU EARN POINTS WORTH DOLLAR SAVINGS FOR YOU

It's our way of saying 'thanks' every time you shop Sears

Who can join?

The Club is open to anyone with a valid Sears all-purpose account in good standing. Your account number is also your membership number. If you're already a member of Sears Catalogue Club, you're automatically enrolled in the Sears Club and all your current points are transferred. To join, simply fill in the application below.

How do I earn points?

Points have the same value as purchase dollars, so it's easy to see how many points you have earned. Your monthly statement shows your current point total. All purchases on your Sears account, minus sales tax, earn points. If you return merchandise, the appropriate number of points are deducted from your total. The chart below shows how the points add up, and when certificates are available. As an added bonus, all purchases on the statement indicating your enrolment will earn Club points automatically, even if they were made before your enrolment date.

How do I get a certificate?

You qualify for a certificate when you reach a point level that matches a certificate level (see below). Just send in the request form accompanying your monthly statement, when you send in your payment. Your certificate will be mailed immediately. When you request and receive a certificate, the appropriate number of points are deducted. Note, however, that fewer dollar purchases are required to move from level to level...you may choose, at your option, to let your points accumulate to the next certificate level. Certificates have no cash value and are only redeemable towards future Sears credit purchases, excluding gift certificates.

How do I redeem the certificate?

After receiving a Sears Club certificate, you may present it when purchasing an order equal to or higher than the certificate value. If the order has been delivered and it's not convenient for you to visit a Sears location, send the certificate and proof of purchase with your next payment, and the certificate value will be credited to your account.

Sears Best tidings of comfort and support... at \$420-750 savings!

- Prestige, our very best sleep set, is the sum total of our extensive research in sleeping comfort and support
- Your choice of innerspring or foam set, upholstered in our best quality polyester-rayon damask cover and beautifully quilted
- We're so confident in the quality of Prestige, we've backed it with our exclusive 20-year warranty*

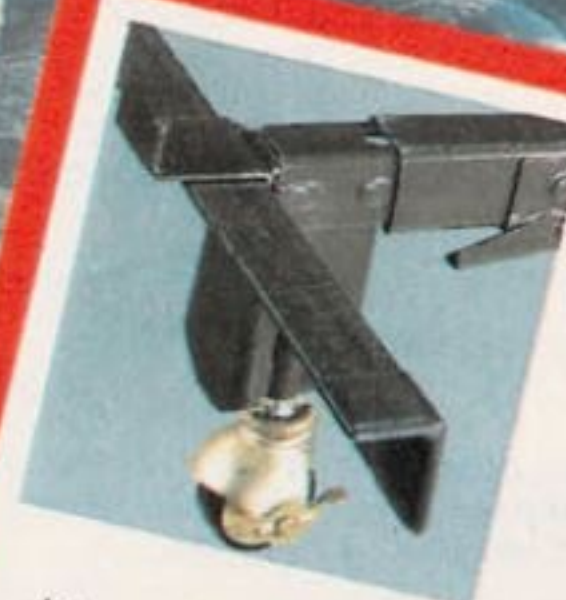

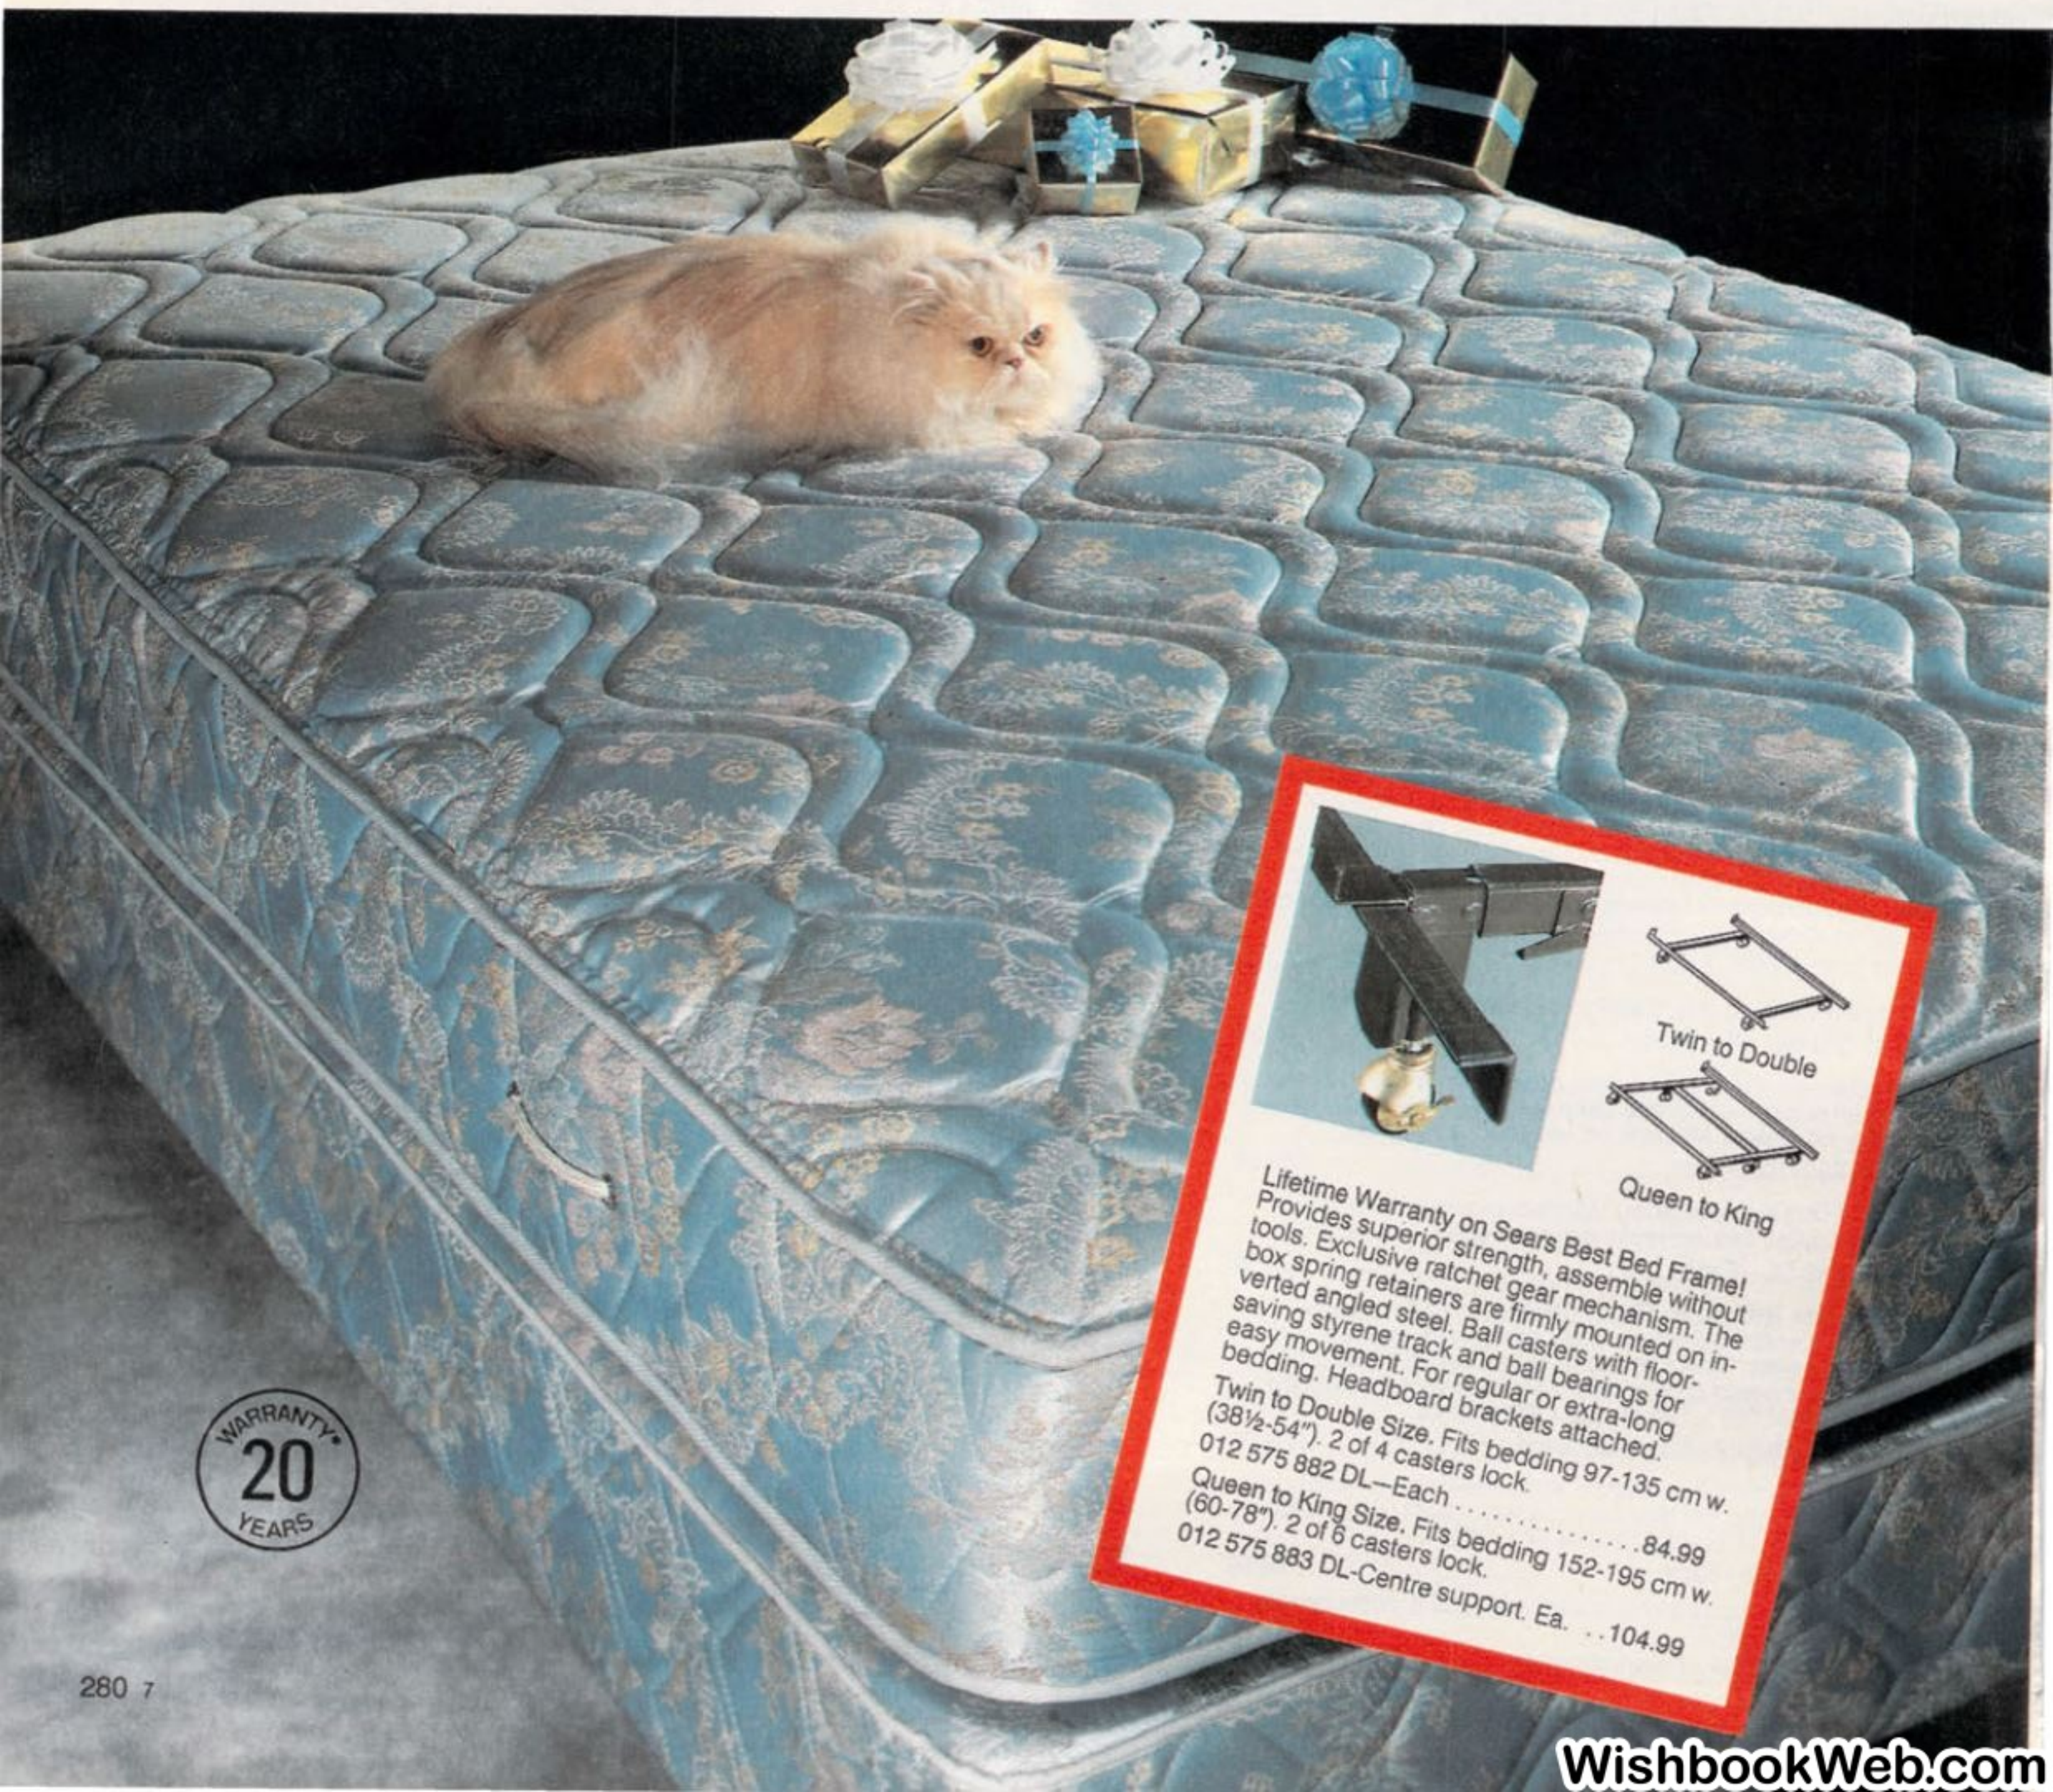

'Twas the Night before Christmas and all through the house, not a creature was stirring because all slept comfortably on Sears Best Prestige II. Innerspring mattress features a sophisticated coil construction plus our exclusive 'Fleximat' steel support system and edge guards for full-width support. A deep layer of felt and a unique convoluted foam topper enhance the overall surface feel of this unit. The box spring is made of heavy-gauge coils on a superior reinforced solid wood frame, Lector-Loc® grid-top and anti-sway stabilizers. Our foam mattress features the latest in high-tech foam development; the core is actually constructed of various components in different density and firmness levels for a perfect body response. The foam foundation is made of a reinforced solid wood frame topped by 14 cm (5½") of high density foam.

- Exclusive Olympus Sleeper™ offers the natural comfort of woven 100% pure virgin wool from New Zealand. We believe it's the ideal material for a sleeper because:
- The shaggy surface is uniformly dense and even—no irritating lumps to contend with

- The wool helps maintain an even body temperature, no matter what the season, because air circulates and is retained in the soft and cushy pile
- Wool absorbs and diffuses moisture

Just lay the Olympus Sleeper™ on top of your mattress and attach it with anchor straps. Your bottom sheet goes over top. Hand-wash gently in cool water and hang-dry or dry-clean. Comes with a complete 8-year warranty against defects in materials and workmanship.

The West Bend IR2500 InfraRed™ Gas Grill. At the heart of this innovative design is the extraordinary heating system...two long-life ceramic burners and a specially designed bar burner. The powerful infrared burner radiates heat directly into the cooking grills and food, heating the barbecue 40% faster than comparable gas grills and saving up to 1/3 the normal cooking time. And it does all this while using less fuel—up to 50% less than a conventional gas grill. And of course, the InfraRed™ system provides the magnificent barbecue taste you've come to expect from outdoor cooking. The West Bend IR2500 is designed and crafted for those who seek the finer things in life.

Superb 11-piece golf set autographed by Fuzzy Zoeller... you'll feel the great quality immediately and should notice the difference in your game

These clubs give superior results even with less than perfect swings. They're ideal for the novice or the experienced player who's ready to move up to a really first-rate set. Check the construction.

Woods: Laminated maple woods created by Canadian craftsmen, then heat-and-pressure treated for strength, resiliency, durability. 3 brass plugs in the club head put maximum force behind each and every shot.

Irons: Investment cast irons of polished stainless steel with 'cavity back' help even off-centre shots fly straight, true.

Shafts: True Temper shafts are individually tailored—the longer clubs for extra distance, short clubs for maximum control. A very forgiving design that can really save you strokes.

Grips: 'Golf Pride' pro-only Green Victory grips for a firm hold on the clubs 11-piece golf set includes: #1, #3, #5 laminated maple woods; #3 through to #9 irons plus pitching wedge. Important: all clubs are swing-weighted to professional standards. Choice of men's left or right hand. Sears reg. 499.99.

Nikko performance

Dear customer:
Super Lobo and Dictator are premium quality, precision engineered radio controlled vehicles...

As such, they require a degree of developed skill and disciplined maintenance to achieve and sustain peak operation and enjoyment. The age recommendations accompanying each vehicle were selected to establish the level at which these skills would be sufficiently challenged and the potential play value of these vehicles fully realized.*

What powers the motor?

A 7.2 volt rechargeable power pack system (not included, sold separately at far right) helps economize operating costs, prolong racing time and ensure hundreds of hours of thrills and excitement at minimal cost. Although influenced by temperature, terrain, battery conditions and driving habits; each vehicle, running at top speed, can be expected to exhaust its rechargeable power pack within 10 to 15 minutes.

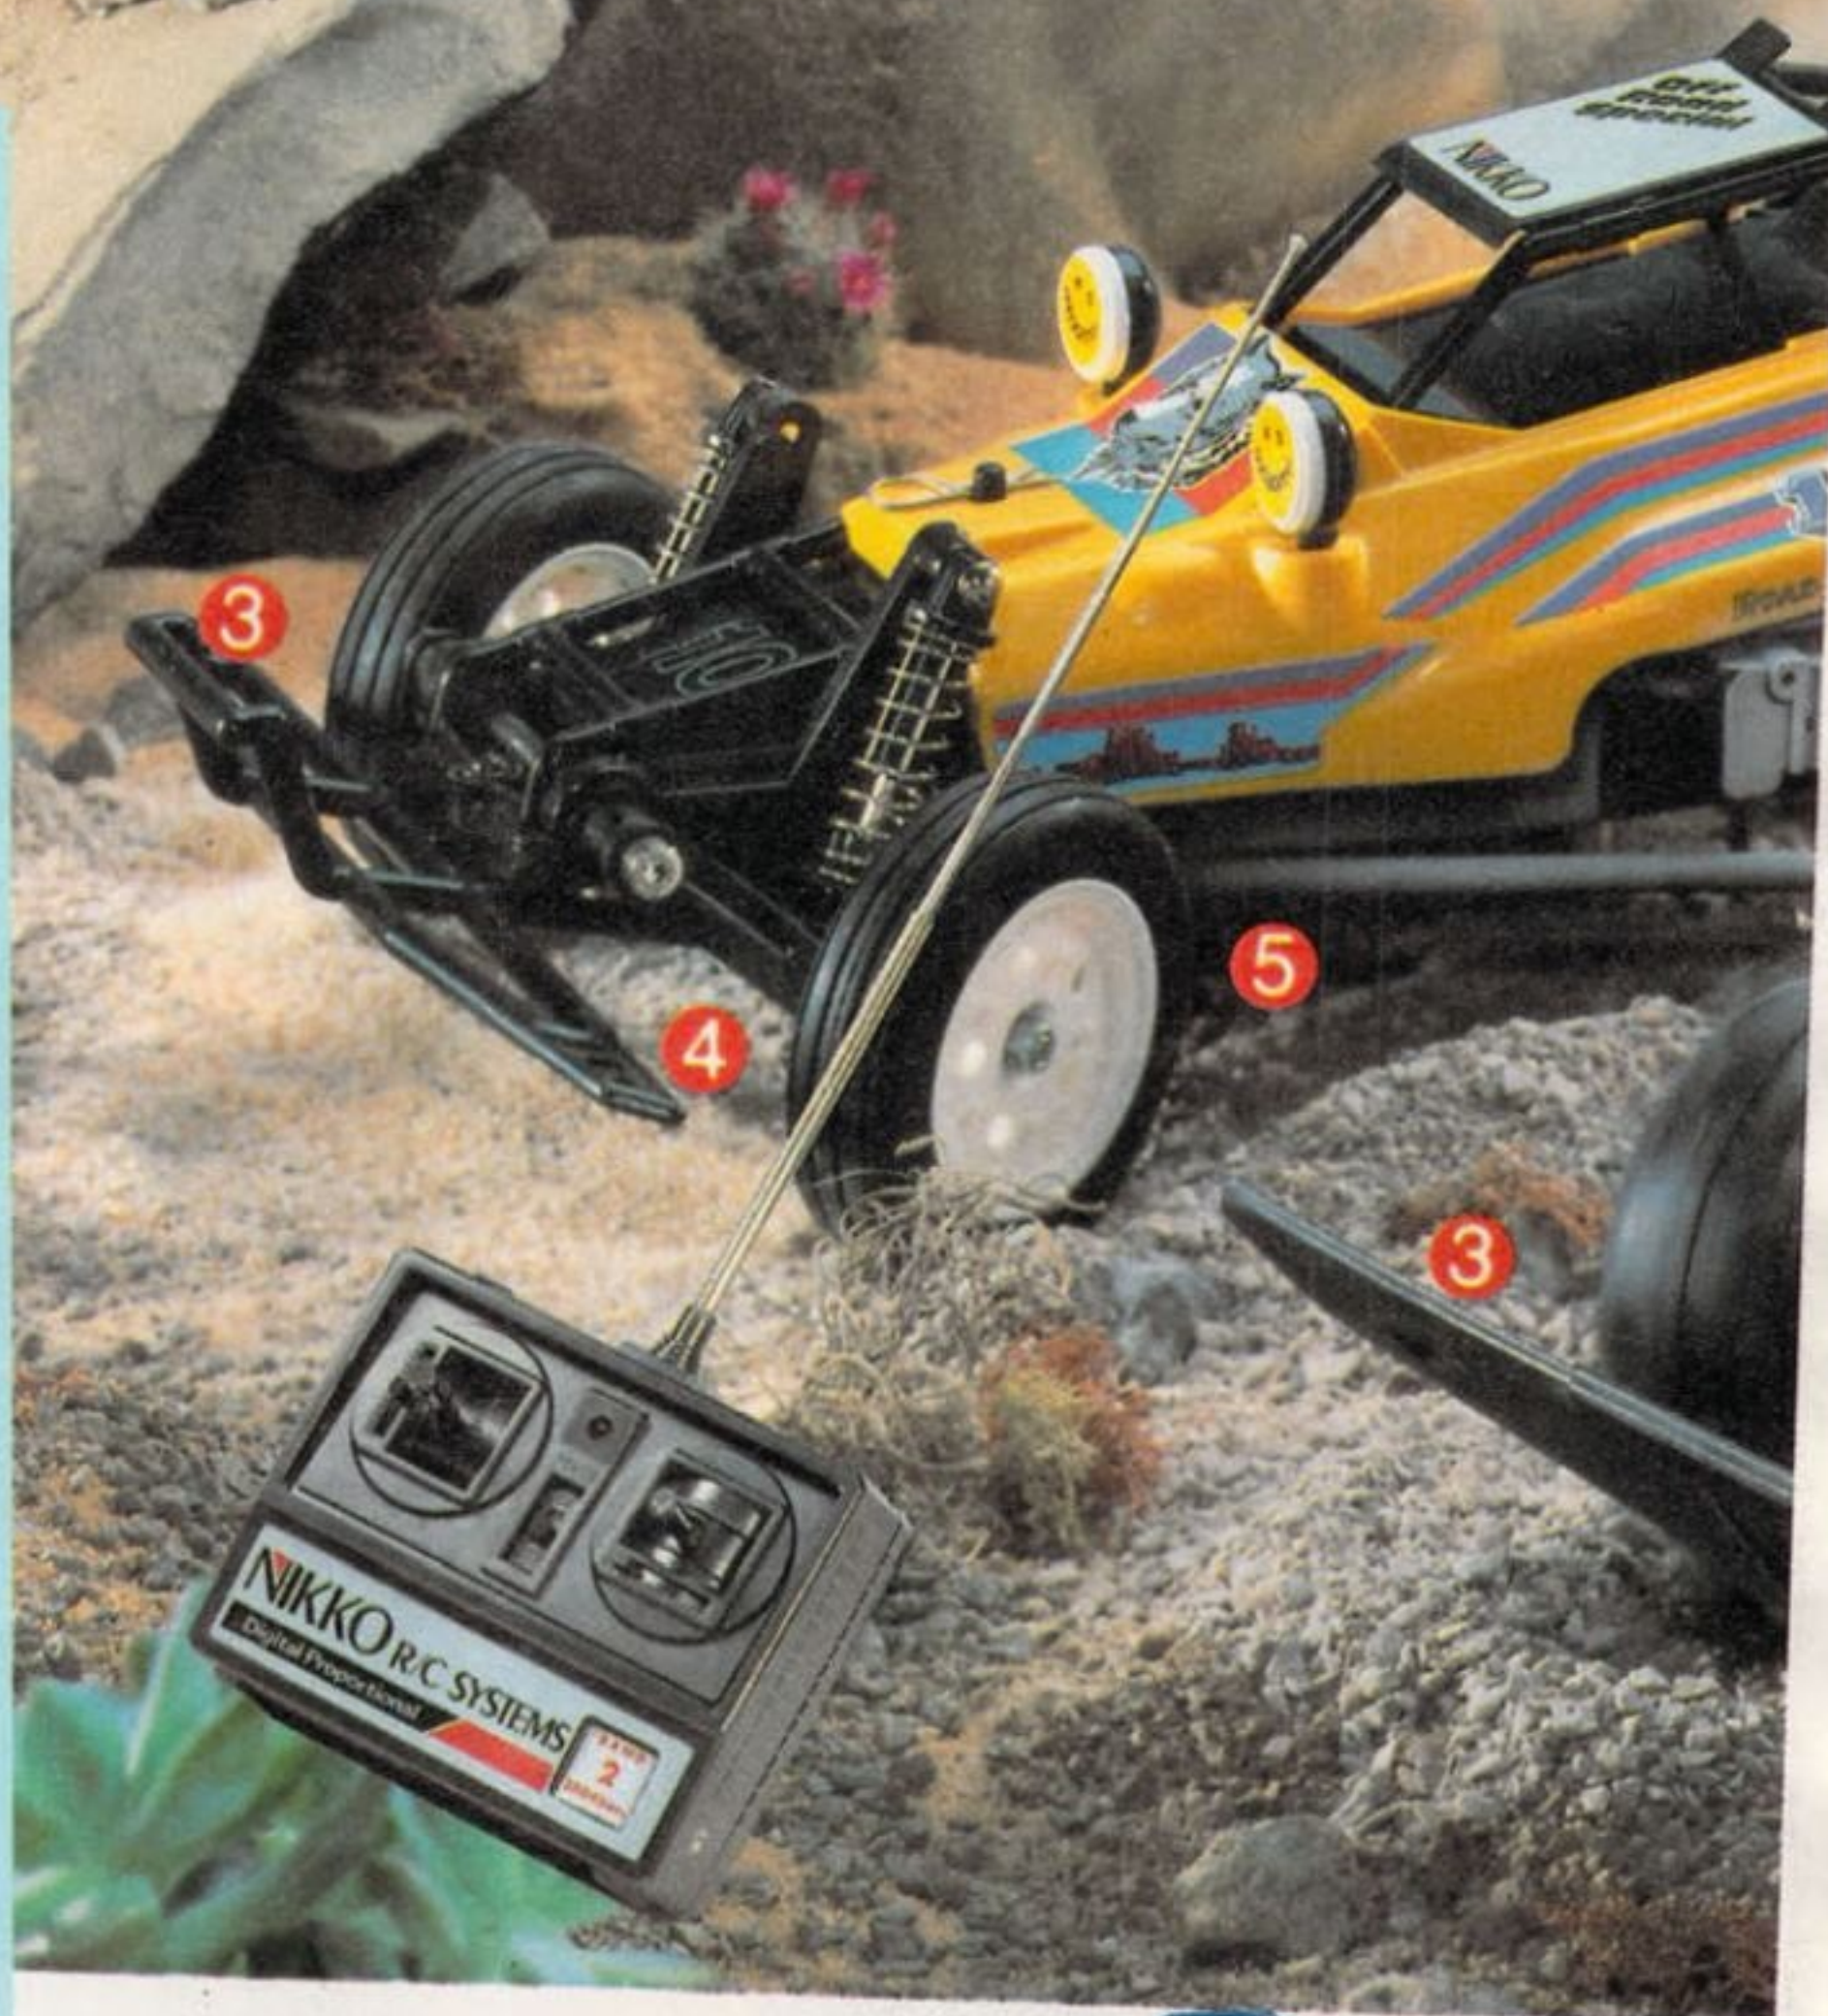

What sends the signal?

Each vehicle also requires 10 'AA' batteries (not included) to send/receive signals in excess of 125'. Although these batteries can be expected to last several hours, rechargeable nickel cadmium cells of the type sold on page 369, are recommended.

How are cars controlled?

Transmitters of Super Lobo and Dictator offer 2 channel superheterodyne digital proportional control. This feature provides subtle or dramatic steering maneuverability, as well as, graduated or rapid acceleration/deceleration. Transmitters also provide steering alignment and neutral mode trim adjustments. Vehicles feature dust protected electrical mechanisms and thermostat protected speed control resistors.

**Other radio controlled vehicles designed for younger ages are offered on page 447 of this catalogue.*

Sears Shopping Guide

Ship-a-gift...anywhere in Canada from any current Sears catalogue

With all the plans you've got on the go this Christmas, you really don't want to worry about how a special gift will reach friends or family halfway across the country! Why not let Sears Ship-a-Gift service help out? Choose your gifts from any current catalogue, then simply place your order by phone or in person at your nearest Sears Catalogue Store or Retail Store. Ask us to ship your selections to the Sears location nearest your friends and relatives, and we will notify them that your gifts have arrived and are available for pick-up at their convenience. In some areas, home delivery service is available at an additional charge, which will be paid by the sender. With over 1600 Sears Catalogue Stores and Retail Stores across Canada, Sears Ship-a-Gift is truly a coast-to-coast service!

Certain areas are assessed a shipping or handling charge, which will be paid by the sender. See page 864 of our Fall and Winter Catalogue for details.

Sears Gift Certificates... handy solutions to a perennial problem

There's always at least one on your Christmas list—a friend, relative or associate who presents a real gift-giving challenge. We recommend Sears Gift Certificates in denominations of \$5, \$10, \$25, \$50 or \$100, redeemable at any Sears Catalogue Store or Retail Store. Place your order by phone or in person, stating the appropriate order numbers listed below, and tell us to whom you will be giving your gift certificates. We'll send them, in your name, anywhere in Canada or give them directly to you for personal giving. They're sure to be delighted with gifts they choose themselves...from Sears!

State catalogue number for needed denomination	
\$5	162 516 005 U
\$10	162 516 010 U
\$25	162 516 025 U
\$50	162 516 050 U
\$100	162 516 100 U

Sorry, we cannot accept C.O.D. orders. If you are ordering by mail, send cheque or money order (do not send cash through the mail). Credit is available, see at left.

The Sears Card...apply for it today

Canada's #1 department store credit card

To apply for your Sears Card, contact your nearest Sears Retail or Catalogue Store

The balance shown on your first statement determines the minimum monthly payment which only changes if the balance is increased by added purchases (see chart). Pay full balance within 25 days of billing date with no credit charge, or pay in monthly instalments with a credit charge. A credit charge is added to your account monthly, based on the previous month's balance, calculated at a rate of 2.4% per month (28.8% per annum). If payment of 50% or more of the previous balance is received within the current billing period, the payment will be deducted before credit charge is calculated.

EXAMPLES...All Purpose Terms

Amount	Monthly Payment	Credit Charge
100.00	5.00	2.40
200.00	9.00	4.80
300.00	14.00	7.20
400.00	18.00	9.60
500.00	22.00	12.00

The scheduled monthly payment is determined by the highest account balance and is calculated as 4.35% of the highest account balance rounded to the next whole dollar amount; or \$5.00, whichever is greater.

PLEASE NOTE:

The credit terms on this page do not apply to the residents of the Province of Quebec...for terms applying to your area, consult our Fall and Winter Catalogue or your local Sears

A word about our prices...

Comparative. All price comparisons refer to catalogue prices within the preceding 12 months, unless otherwise indicated. So when you read 'Sears reg. 15.99', you know we have offered the item for 15.99 during the previous year in a catalogue in your pricing zone. Also, when you read 'Lowest Price of the Season', 'Lowest Price of the Year', and similar statements, this comparison refers to merchandise as offered in Sears regular catalogues.

Lowest. If you order an item for \$15 and the same item is in another current catalogue in your pricing zone for \$10, you are automatically charged the lower price. Many of the items in this catalogue are also available in our retail stores; however the prices may vary.

Effective. This catalogue is in effect until February 15, 1988 unless otherwise stated. Orders we receive after this date for items not relisted into a current catalogue will be filled as long as the items are available.

Shipping and Handling Charges?

These charges may apply in your area. For more information, see page 864 in our big Fall and Winter catalogue, contact your local Sears office, or write to D/157 in Toronto, Regina or Halifax.

Find a Mistake?

We pride ourselves on accuracy in our catalogue advertising, but we're not perfect all of the time. We correct errors as soon as they are noticed, and any customers who are affected will be advised of the correction.

Need Another Catalogue?

If you want an extra copy of this catalogue simply visit any of our Retail or Catalogue stores where you can buy additional copies for \$3.00. With each book you buy, we will give you a \$3.00 merchandise certificate redeemable on your next purchase of \$25.00 or more from our 1987 Christmas Catalogue...(\$3.00 merchandise certificate offer expires October 19, 1987). Keep your eyes open for Sears catalogues now on sale in bookstores across Canada. We're proud to say they have become best sellers.

How to get your Sears Card

Fill in the application on the reverse side of this insert, then all you have to do is sign your name, fold, seal and drop it in the mail — it's postage paid! If you prefer, you can take it to your nearest Sears location. It's two accounts in one combining the extended terms of a monthly payment account with the convenience of a charge account. See details of terms on credit page inside this book. All you ever need for everything at Sears! So convenient, it lets you enjoy great shopping with everyday good values, dependable quality and service plus timely offerings. No credit charge if you pay your account in full each

month. Your Sears Card can also be used to shop Sears in the U.S.A. Each month you'll receive a handy record of your purchases, payments, balance owing and monthly payment due... that's convenience!

"The Sears Card...Canada's #1 Department Store Credit Card."

NIKKO

WE BELIEVE LOBO II'S
FEATURES GIVE US AN EDGE
OVER ALL COMPETITORS

A LOBO II radio-controlled frame buggy has powerful Mabuchi 360 motor with turbo boost. Energy system utilizes 7.2 volt rechargeable power pack and battery charger (sold separately)...we believe this to be the most efficient energy system for a buggy of this price. Shop and compare, this power pack stores more than twice the energy of conventional 8 'AA' Ni-Cad systems. We offer two buggies, each with its own separate radio frequency for racing with no interference. Multi directional: goes forward, reverse, left, right and stops. Hi/low gear adjustment to accommodate course/operator skill level. Steering trim adjustment lever to realign steering. Includes LOBO II's pro-style pistol grip controller offering turbo boost power surge in both high and low gears; LED 'power on' light; telescoping antenna. Recommended for ages 9 and up. Requires two 9-volt batteries, not included (sold on p. 398) plus power pack and charger sold at right. State no.: 01(Blue with 49 mHz frequency) or 02(Red with 27 mHz frequency).
